## **REP. POPE VOTES AGAINST BUCKS DEAL**

MADISON- Yesterday, the State Assembly met to discuss the proposal to use public financing in constructing a new arena for the Milwaukee Bucks. The measure passed the Assembly, 52-34. Rep. Sondy Pope (D-Cross Plains) issued the following statement:

"While I am in favor of bringing additional economic activity to Wisconsin, I found no considerable evidence that a new arena would benefit residents of my district. Constituents in my district echoed this sentiment, and urged that I vote against the deal. Ultimately, I followed my constituents' voices and voted against the Bucks arena deal."
